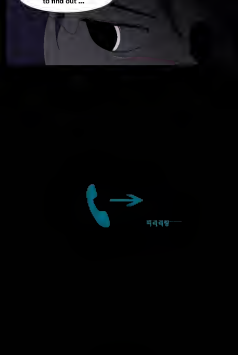
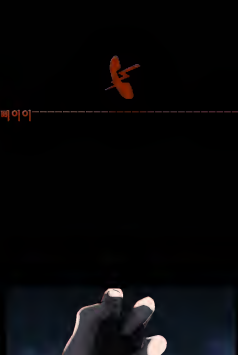
You are going to bury the old memories here tonight.
And you are going to see a new scene tomorrow.
New scene. New sound. New food.
Being stuck in the past; being here won't help you.





Ah ...
It's weird ...
It's a number I used to call without hesitation but now ...
Then just call.
I have to say; you are being you. Damn, picking this place. Good job, girl.
You don't like here ?
Good for eyes. Not good for my nose.
I feel like I can smell him every where around here. Why you chose to come here, I see why. Why you had to come here, it's you, I guess.
It's not about just memories or lingering feelings.
I need to talk to him.
Why this happened.
For one last time to find out ...

Is important now?
If you want to know really..., I can just tell you right now!
So, don't do this. You don't have to hear from him !
What ... ?
Whar..., did you meet him ?
I had to. After all, it was me who bridged you two.

Hypocrisy

I see...
I wonder who she is.
I figured as much... Another girl, huh
He never really liked my curly hair.
Yeah, she probably has long straight hair with pure black color!
Her fingers are probably a lot thinner than mine and longer also. Probably smarter than me also.

It's all lie.
